

September 9, 2020

Calvary family –

We open another phase of ministry this Sunday morning September 13, 2020 with adult LifeGroups. This vital small-group ministry is essential for our spiritual growth in discipleship, ministry and mission. LifeGroups begin at 9:30 AM. Gathered Worship begins at 10:30 AM.

These are uncertain and ever-changing times. We admit that we are jumping into the unknown. Your engagement is needed and your flexibility appreciated. It will not be perfect. It will require adjustment. However, we will thrive through it all if we focus on discipling people and not the mechanics of necessary restructuring.

Over the last several weeks, we detailed how every LifeGroup should be fashioned in order to be on mission. We highlighted philosophical and practical ingredients to a successful small group ministry. Hopefully, you have embraced every facet and are willing to participate in small groups of people sharing life together while on mission for Jesus.

Because of the impact of Covid-19 on churches, you can expect quick change to be the normal for a season. For instance, your small group leader, dynamics and location have likely changed. For right now, our groups will begin in larger blocks with an expectation to add groups in the future. We will need to wait and see who returns before we can begin to break down small groups. We will then shift our groups as we begin to evaluate the numbers and dynamics of those returning.

We begin with 5 large groups: Couples up to 45 (upstairs); Couples 45 & up (downstairs); Women up to 50 (downstairs); Women 50 & up (downstairs); and Men (downstairs).

See you Sunday morning as we start this new adventure together!

Until we see His Scars,

Dr. Paul Middleton, Pastor
Galatians 6:14
